# Where Nature Becomes Art

At Antique India, we transform nature's raw beauty into exquisite furniture and decor. Every piece is a testament to the harmony between traditional craftsmanship and contemporary sophistication.

# Who We Are

Founded in 2003, Antique India is a premier manufacturer and exporter of exclusive handcrafted furniture and decor. We specialize in Bone Inlay, Leather, Metal, Agate, Marble, Mother of Pearl (MOP), and Semi-precious Stones, crafting pieces that tell a story of heritage and innovation.

# Our Expertise

Our 66,000 sq. ft. facility houses state-of-the-art workshops and over 200 skilled artisans. From intricate bone inlay to luxurious metal cladding, our creations reflect the essence of fine craftsmanship. We ensure quality at every step, from sourcing raw materials to delivering finished masterpieces.

# Meet Our Director

At the heart of Antique India is a visionary leadership team that drives creativity and excellence:

A driving force behind Antique India, Anil Bhati has been instrumental in shaping the company's growth and vision. With years of expertise in the furniture industry, he brings a deep understanding of materials, craftsmanship, and global market trends. His leadership ensures the brand continues to innovate while staying true to its heritage.

*Anil Bhati*

# Factory & Packaging Insights

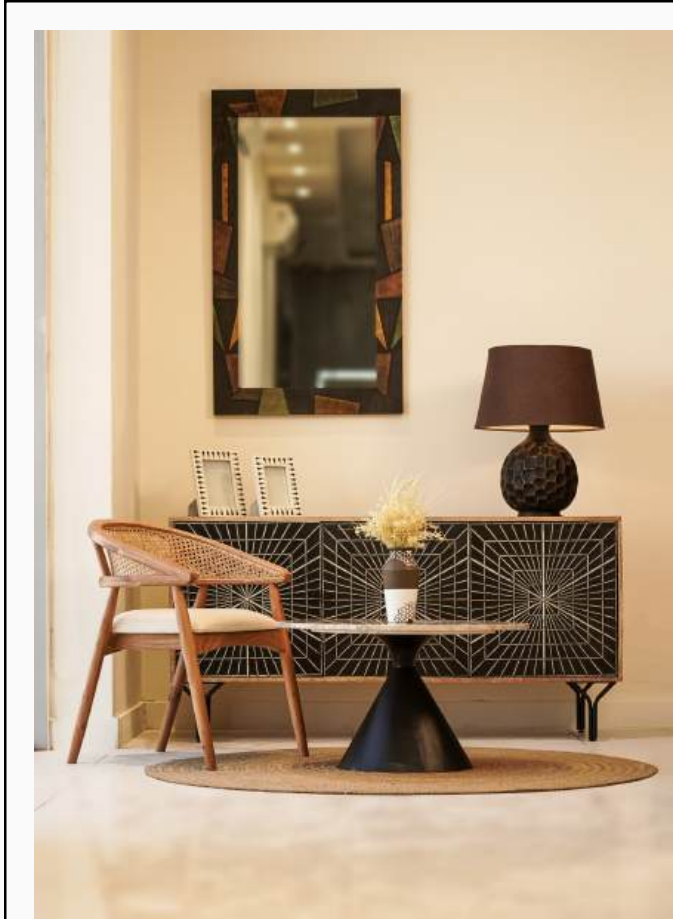

Our facility includes specialized sections for carving, inlay work, metal cladding, and finishing, ensuring that each stage of production meets the highest standards. Additionally, our in-house packaging unit ensures secure and durable packing, safeguarding our products for global shipment.
